

Explanation of Variances

Box 3 and Box 6

The two biggest items in these boxes are:

£6000 – This was a contribution towards a proposed scheme to move the village Post Office into the Information Centre. The Scheme was not progressed, and the money was returned to the Parish Council.

£1440 – An elderly resident accidentally drove into the bus shelter. He was extremely distressed and unable to deal with his insurance company. The Parish Council arranged the repair and LV sent us a cheque to cover the repair which we paid into our bank. We then paid the contractor.
